Rental Agreement

Central Texas Metal Roofing Supply Co., Inc. (CTMRS), hereinafter referred to as "Lessor" leases to the Lessee the electric seamer or any hand crimper hereinafter referred to as the "Equipment", subject to the terms and conditions as follows:

1. This agreement is one of rental only and nothing herein contained shall be construed as conveying to the Lessee any right, title or interest in and to the Equipment except as a Lessee only. The rental of the equipment hereunder shall not be construed as an offer to sell the Equipment. It is understood and agreed that rentals paid will not apply toward any subsequent purchase of the Equipment unless an agreement in writing is made prior to the delivery of the Equipment.
2. CTMRS customers with approved credit are eligible for rental of Equipment without a deposit, provided the amount does not exceed the Lessee's credit limit. The limit may be exceeded for rental deposit with written approval and provided all required CTMRS paperwork is completed prior to delivery of the Equipment. CTMRS customers without approved credit must render, in advance, a deposit equal to the Declared Value of the Equipment.
3. An invoice will be rendered monthly for rentals of Equipment for periods in excess or one month.
4. All rental rates are F.O.B. Lessor's warehouse or shipping point. Lessee shall pay any transportation cost in returning the Equipment to Lessor. Equipment must be insured for the Declared Value of the Equipment.
5. The rental period shall begin on and include the date of the bill of lading of shipment to the lessee and shall end on and include the return to the Lessor.
6. Lessee acknowledges that he has examined the Equipment and that it is in good condition and repair. Lessee accepts the Equipment as is and agrees to use reasonable care in the operation of the Equipment. Upon termination of the rental, Lessee shall return the Equipment to the place of business of the Lessor in as good condition as when received by the Lessee, ordinary wear and tear accepted. Lessee shall pay any damage to the Equipment and for any missing parts or accessories at the rate and prices customarily charged by the Lessor for repair or replacement of the parts. The lessee shall also pay for the cost of cleaning the Equipment, if necessary, to return it to the same condition as when received by the Lessee.
7. In the event of the loss or destruction of the Equipment or any of its accessories or the failure to return the same, for any reason, the Lessee shall promptly pay the Lessor the Declared Value of the Equipment (as stated on the CTMRS Seamer Tool Rental Agreement).
8. The delivery of the Equipment to the Lessee and the recovery thereof to the Lessor, all risk of loss, injury or destruction to the Equipment or caused by the Equipment, shall be the responsibility of the Lessee. The Lessee agrees to indemnify and hold the Lessor harmless from and against losses, damages, injuries, claims, expenses (including attorneys' fees) and liabilities of whatsoever nature resulting from or arising out of the use or operation of the Equipment during the entire period of Rental. Such indemnity shall continue in full force and effect notwithstanding the termination of this agreement.
9. Lessee agrees to maintain, at its own expense, for the protection of the Lessor, adequate liability, physical damage and casualty insurance, including all risks covered by the standard extended coverage endorsement, to cover any damage or liability arising from the handling, transportation, maintenance, operation or use of the Equipment during the entire period of Rental.
10. Lessee will not permit the Equipment to be used in violation of any federal, state, or municipal statute, law, ordinance, rule or regulation applicable to the operation of such Equipment and will indemnify and hold the Lessor harmless from any fines and / or penalties for the violation of any statute, law, ordinance, rule or regulation of any duly constituted public authority.
11. This agreement shall terminate, at the option of the Lessor, in the event that the Lessee shall default in the performance of any provision hereunder, or in the event Lessee is declared insolvent or bankrupt, or a receiver is appointed, or in the event any petition for bankruptcy is filed by or against Lessee, or in the event any proceedings are demanded by, for or against the Lessee under any provisions of the Federal Bankruptcy Act or any amendment thereof. The Lessor shall have the right to terminate this agreement any time and to take possession of the Equipment wherever found, with or without process of law, and for such purpose may enter upon any premises of Lessee and remove the Equipment without liability to the Lessor.
12. In the event that suit is instituted by the Lessor to recover possession of the Equipment or to enforce any of the terms, conditions or provisions hereof or to collect any sum, or sums of money, damages or costs from the Lessee under this agreement or any sums of money for the use of all rent of the said Equipment, the Lessee agrees to pay all costs and reasonable attorneys' fees incurred by the Lessor in such suit or suits.
13. The Lessor shall not be liable to the Lessee for any loss or liability of any kind resulting from failure to deliver the equipment at a specified time, or resulting from defects in, or any inefficiency or breakdown of the Equipment.
14. This agreement and all claims, disputes and transactions arising out of this agreement shall be governed by and construed according to the laws of the State of Texas.
15. This agreement contains the entire understanding and agreement with respect to the rental of the Equipment, and no representations, promises or agreements, oral or otherwise, not contained herein shall be of any force and effect. Any subsequent amendment to the agreement shall be in writing. Lessor's waiver or failure to insist on strict performance of any provision hereunder shall not be construed as a waiver of any other provision or of the right to require subsequent performance of all provisions by the Lessee.
